

BECOME A JUNIOR RANGER!

Join National Park Service and Cuyahoga Valley National Park Association (CVNPA) staff for fun and exploration this summer. Junior Rangers investigate the Cuyahoga Valley's past, search for wildlife, express themselves artistically, and hike beautiful trails.

Children attending three Junior Ranger Family Programs earn a Cuyahoga Valley National Park (CVNP) Junior Ranger badge-- participants of six programs will also receive a CVNP water bottle.

Pre-registration and advanced payment is required. Space is limited. CVNPA members receive a discount. Program locations will be given upon registration.

There is a special selection of Junior Ranger programs for groups of 10 or more. For more information, call the Environmental Education Center at 330-657-2796 ext. 105.

Cuyahoga Valley National Park Association, in partnership with Cuyahoga Valley National Park, provides innovative education and fosters community awareness, support and enjoyment of the National Park.
